Vendors will be notified prior to market session if gross receipts will be collected for that day.**
- 14. Market Manager has the right to refuse entry to any vendor at any time**
- 15. Each vendor must maintain a clean and orderly area on all sides of their display (including the area behind their display). All electrical cords must be taped down.**

If a vendor does not abide by market rules, Market Manager may take action deemed appropriate, including assessing fines or barring the vendor from selling at the market for that day and any future market days. A vendor may appeal any decision of the Market Manager concerning violation of these rules. An appeal must be presented in writing to the Town Square Farmer's Market Board at tsfarmersmarket@gmail.com. A decision by the Board shall constitute a final decision of any appeal. Market reserves the right to make exceptions to these rules at its discretion.**
- 19. Vendors are responsible for meeting local, state and federal government requirements regarding their sales activities.**

- 20. The Market Manager may request proof of insurance from vendors; this insurance is each vendor's responsibility.**
