In return, you can reach 3,000 people who gather every Saturday morning all summer long to buy local produce, crafts, food, and enjoy live music with the community. Your sponsorship will also reach over 6,000 followers through our social media presence. The Town Square Farmers Market is made possible through donations from the Grand Cities community, people and businesses just like you. Now more than ever the Town Square Farmer's Market is seeking funding to support this event. We have different levels of support each with different benefits to you as a way to say thank you for your support.
